THE FORMAT X2 450

As a free-standing system that can accommodate functional and suspension training accessories, The Format X2 450 will be the hub of personal training activity that's bound to attract and engage. The Format has the flexibility to be configured for circuit-style or small group class training allowing you to keep your training offerings dynamic and different. Thoughtful, integrated storage keeps training accessories off the floor, but easily retrievable.

*Training accessories sold separately.
